Hi Vicky,

Thanks for thinking of our BID. We don't have any volunteer opps at the moment, but you may want to contact the local neighborhood council. It's called the north area neighborhood council.

Thanks,
Aaron

Subject Volunteer needs in local community

Message Good Morning, I am a graduate student at USC and am on the board of a student organization called Price Women & Allies. We are interested in coordinating a volunteer effort and while there are plenty of great organizations throughout downtown, we were hoping to find an opportunity locally in the neighborhood(s) immediately surrounding campus. Are you aware of pressing neighborhood needs and if volunteers are needed? In my previous job I worked with the South Park BID so I figured reaching out to your organization would be a good first step. Please advise.
Thanks, Vicky
